set up of Forest Development Agency (FDA) at the forest division level, and Joint Forest Management Committee (JFMC) at the village level. 26 FDA projects have been approved under NAP scheme at a total cost of Rs. 66.64 crores in Chhattisgarh State with the total project area of 37,489 hectare through 913 JFMCs.

Approval of schemes sent by Chhattisgarh

†919. SHRI RAMADHAR KASHYAP: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether Department of Water Resouces of Chhattisgarh has sent forest matters or schemes for the first phase sanction by Government of India; and

(b) if so, the details thereof including the action taken upto now in this direction and the time by when these are likely to be sanctioned?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI NAMO NARAIN MEENA): (a) and (b) The Department of Water Resources of Chhattisgarh has submitted eighteen proposals for diversion of forest land under Forest (Conservation) Act, 1980 to the Central Government during last three years. Till date, in-principle approval has been given in respect of six proposals by the Ministry, one proposal is under examination in the Ministry and additional information in respect of remaining eleven proposals has been sought from the State Government. The status of the proposals approved in-principle, and those yet to be approved by the Ministry is given in the Statement.

Import of harmful genetically modified soya oil

920. SHRI T.TV. DHINAKARAN: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether it is a fact that genetically modified soya oil which is being imported from foreign countries is harmful to health;

(b) whether opinion of health experts has been ascertained; and

(c) if so, whether Government propose to ban the import of such oil?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI NAMO NARAIN MEENA): (a) and (b) The Ministry has not received any adverse report regarding the harmful impact of genetically modified soya oil on human health.

(c) Does not arise.
